

Minors' Acquisition of citizenship by birth

Description

Acquisition of citizenship by a child born by at least an Albanian parent

Required documentation

- 1) Written application in Albanian or a foreign language, yet notarized, of parents for the acquisition of citizenship by the child;
- 2) Child's birth act, issued by foreign authorities, legalized or having an apostil affixed and translated;
- 3) Consent of the foreign parent, if any, expressed by a notarial declaration on allowing the acquisition of citizenship.

Procedural steps

- 1) Personal appearing of both parents; or
- 2) Personal appearing of one of the parents and the notarial authorization of the other parent on the submission of the application;
- 3) Official forwarding of the child's birth act;

Service fee and deadline

No tariff.

3 months.

Office

All Diplomatic and Consular Missions

Notes

The notarial declaration may be worded before a Consul (please refer to the notarial deeds). The translation may be done at the diplomatic or consular mission (please refer to the translation of documents).

All expenditures resulting from the translation and compilation of notarial declarations shall be made through banks.
